Explanation

In 2024, program services were concentrated on our service/therapeutic companion dog training program. We served 202 veterans during 2024 with 3,376 training hours provided to veteran/dog teams, and graduated a record number 65 veterans from the program. Historically, over half of the dogs in our program are adopted from az shelter/rescue partners with 76 dogs rescued in 2024. Provided at no cost to eligible veterans, each veteran/dog team trains a minimum of 6 months. Providing this life-changing service includes: comprehensive application process, dog adoptions, fostering, professional training & testing, veterinary care, providing equipment/supplies & support to help ensure program completion. As part of our program, we offer mentorship and operation graduate training (OGT) classes. The mentorship program pairs graduates with teams-in-training to help guide them through the program. The OGT classes are provided for graduates who want further training for their dogs. Our program serves as a parallel support plan to each veteran's medical treatment & aims to lessen their symptoms of PTSD or TBI. A biennial survey of all graduates was conducted in 2024 to gather data about the program's effectiveness & attest to the significant impact on the lives of graduates & their families. Results include: 94% reported their service/therapeutic companion dog improved their overall quality of life, 89% positive impact on social activities, 71% a positive impact on their relationships with family & others. Of respondents who experienced suicidal thoughts prior to beginning training, 83% reported a reduction in those thoughts.
